## Becoming a member of the NHS Foundation Trust

By signing up as a member, the Trust is better able to listen to the views of local people. The Trust now has a greater freedom to provide services that help make a positive difference to the needs of local people.

The Trust provides specialist mental health, learning disability and substance misuse services predominantly within County Durham, Darlington, Teesside and North Yorkshire. In addition to this we also provide some specialist services within and external to these areas.

Membership is open to all public residents in England over the age of 14 years. Membership is FREE and you decide how much or how little you want to be involved, whether it is just receiving information or standing as a local Governor – the choice is yours.
